# KIMBERLY EVANS

Motivational + inspirational event speaker with a mission of lighting up audiences with energetic and vitalizing talks that will inspire you and your team to live a life of JOY.

As an Entrepreneur, Business Consultant + Host of the The Joy Curator Podcast, for the past 18 years, Kimberly has had the pleasure of helping businesses + individuals create meaningful + powerful connections with their potential customers through curated events focused on an incredible experience and authentic business goals that have allowed her clients to show up as their best selves, living out their purpose.

Infused with compassionate, loving, hopeful, gracious energy + bubbly sense of humor, her goal, through thought-provoking presentations elevate the consciousness of the entire room. You will hear personal stories of her own life experiences, positive mindset, open heart + love of life to guide each speaking engagement.

She knows that JOY leads to success in life + that life happens when you least expect it. These lightning bolt moments, which for her was the diagnosis of Cystic Fibrosis in my daughter, have taught incredible resilience and led her to working with clients in new ways through consulting, organization, event planning and entrepreneurship with optimism, authenticity and passion.

Whether you have a major event, workshop or corporate lunch & learn. Attendees will leave inspired and empowered with actionable steps they can implement immediately.

# PAST SPEAKING ENGAGEMENTS

“Kimberly joined our line-up of workshop & panelist speakers at our annual retreat getaway for women - for the second time. We wanted her back!

Kimberly delivered an engaging, personal and interactive style workshop on Finding JOY. Kimberly’s presentations left our attendees feeling inspired and empowered to implement simple practices in their daily lives that lead to JOY, no matter what circumstances they find themselves in.

These actionable steps to try from home, were a highlight. Desiring a dynamic, vivacious, ‘straight from the heart’ speaker for your next conference, workshop or retreat? Contact Kimberly, she’s the one that can deliver. Thank You Kimberly!”
